## "POP" VANDERBURG

Or Republican Tom Tongue for Congress.

### THE BATTLE VERY CLOSE

Details of the Situation Right Up to Date.

**SATURDAY NIGHT.**  
**PORTLAND, June 6.**—The official vote of Curry county, received Saturday night gives Tongue 233, Vanderburg, 133. Tongue's plurality in the district is now 44 votes. The official returns have been received from all but five counties and from these counties complete returns have been received. Unless the official count in these five counties changes the result is that Tongue is elected.

**IN MARION COUNTY.**  
The work on the official count was resumed at the court house today, by Deputy Clerk Allen and Justices Johnson and Hays of Woodburn. It is doubtful if any precincts will be thrown out, unless an action is brought to compel the canvassing board to do so. In the face of defective returns, the fact seems to be that some of the officers were sworn, although the poll books do not show it.

**POPULISTS ENRAGED.**  
All day Sunday and today the Populists and some silver Republicans who voted for Vanderburg have been in the city and are enraged not a little at what they declare is an effort to count out their man. Populist leaders say the fact that they were not allowed to name one of the precinct judges, and the fact that all the mistakes discovered have been on the side of the Republican candidate, is evidence of intentional fraud.

A petition was circulated for signers Sunday to ask the state officials to not issue a certificate of election until there can be a recount of the ballots. If either Tongue or Vanderburg had 2,000 plurality the little mistakes discovered in footling the precincts by the county boards of canvassers would not have been commented upon. As it is, a great deal of excitement is caused by the close contest.

**MARION PRECINCT.**  
Mr. A. H. Cornelius was in town today and said at the Marion precinct election the officers were sworn just as they always have been in the past. He says if there was any irregularity it was unintentional. Sid Russell, the chairman, swore all the other officers and he was then sworn by one of the judges. The return itself is not sworn.

**EDITOR JOURNAL.**—If the people cannot get a fair count from an official board of canvassers, they want to know the reason why. All parties ought to be represented on that board, and if the Republican party will not give the people a fair show they will be wiped out of power in Oregon. The people will not stand it to have their rights taken from them.  
**J. H. M.**

**NORTH SALEM.**  
**EDITOR JOURNAL.**—I see by your Saturday evening edition of an attempt to throw out several precincts on technicalities, in this county, and

among them North Salem precinct because the judges and clerks had not been sworn in. Now I happened to be there and know that the person who made that assertion, either was misinformed or lied. If they can find a person to make affidavit to the effect that the board were not sworn in, I will dig up some of my negatives and give Governor Lord a chance to pardon some one out of the pen.

**CALL FOR A MEETING.**  
A call has been issued for a public citizens' mass meeting at Marion Square, Salem, Saturday, June 13th at 1 o'clock p. m. The call recites that there is "ample proof that a high-handed piece of fraud and trickery is being perpetrated under color of law, whereby Hon. W. S. Vanderburg, the legally elected congressman for this district, is being unlawfully and fraudulently counted out, and Hon. Thos. H. Tongue is being counted in, contrary to the expressed will of the majority of legal voters of this district."

Therefore, we call upon all good and law-abiding citizens who believe in honest elections in an honest vote and a fair count, to unite with us in public mass meeting duly and lawfully assembled, to take such lawful measures as may be necessary to protect the purity of the ballot box, and to utter our protest and indignation against the most disgraceful attempt to defeat the will of the people ever attempted in the history of our state, and if allowed to be consummated would be a lasting disgrace to the name of our state.

Therefore all good citizens are requested to assemble at Marion square where good speakers will address the assemblage. (Signed by citizen's committee.)

**THE SIGNATURES**  
are mostly Populists and at 2 p. m. were as follows:

P. Minzenmaier, H. A. Peters, Geo. E. Allen, N. S. Williams, M. F. Ryan, James Vaughn, H. A. Saulsbury, A. S. Silphey, A. F. Holt, C. L. Barrett, John Brooks, Geo. B. Jacobs, G. S. Reed, Wm. Wilkins, G. M. Hunter, Geo. D. Sprague, Geo. A. Jacobs, J. B. Stump, R. E. Ryan, D. C. Howard, L. W. Benson, Geo. S. Downing, W. D. McGee, K. L. Hibbard, R. H. Leabo, John M. Payne, F. W. Allen, J. A. Cavanaugh, W. D. Matthews, John Sinclair, E. O. Fling, S. R. Burford.

**NO PRECINCTS THROWN OUT.**  
The Marion county canvassing board completed its work today, and decided that no precinct returns were liable to be thrown out, according to law. On congress the vote stands as follows:

Christenson, Prohl..... 172  
Myers, Dem..... 967  
Tongue, Rep..... 2509  
Vanderburg, Pop..... 2580  
Vanderburg's plurality..... 71

**LATEST FROM TONGUE.**  
A private telegram from Thos. H. Tongue, at Hillsboro, informs his friends that he has to plurality, and is satisfied he is elected by a safe figure.

If the leaders of the Republican party in Oregon have any sense left they will quit ostracizing men for their opinions, and seek to unite all elements of the party. The trouble is the webfoot hog has an abnormally developed appetite for spoils, and very little political sagacity. He needs a gag put in his jaws until he gets some sense.

The Statesman wants to weed the Republican party out, that is, the Hofer element, who do their own thinking on the financial question. The Statesman had better quit the wedding business.—Albany Democrat. Oh, don't stop 'em. Let them go on. There are only two parties in this state now. That crowd and the rest of the people.

## ELECTRICAL STORM.

Springfield, Illinois, Blown and Drenched.

### FIRE AT WALLA WALLA.

Elevator Burned by Anti-Chinese Incendiaries.

**SPRINGFIELD, Ill., June 8.**—For three hours last night, this city was swept by one of the most violent electrical and thunder storms, that ever occurred in this section of Illinois. Many thousand dollars damages resulted. The first floors of many residences were flooded. The city was in darkness most of the night. Several alarms of fire added to the terror of the situation. Thousands of sparrows cover the ground, having been drowned by the deluge. The Sangamon river has risen five feet, and is still advancing. There has been great damage in the lowlands.

**ANOTHER IN MISSOURI.**  
**MEXICO, Mo., June 8.**—A tornado struck here yesterday evening causing destruction of houses, barns, trees and crops. As far as known no one was injured. Rains fell in torrents, fully six inches covering the ground. Many residences were undermined.

**AN ELEVATOR BURNED.**  
**WALLA WALLA, June 8.**—A large elevator of Tacoma warehouse Co., was destroyed by fire at 1 o'clock this morning. 1800 sacks of wheat belonging to Dement Bros., and a carload of flour owned by Gilbert & Co. stored in the warehouse are a total loss. The elevator was valued at \$10,000 with \$400 insurance. The fire was of an incendiary nature. A few days ago notices were posted about town that if the people of Walla Walla did not stop employing Chinese the town would be burned down.

## THE CHICAGO MARKET.

An Extreme Nervousness is Visible—It Jumps Up and Down.

Single Trades of Millions of Bushels.

**CHICAGO, June 8.**—The wildest wheat market seen in the year, is that of to-day, the fluctuations went side to side with bewildering rapidity, jumps of nearly a cent at a time being frequent. July wheat opened 1-4 above closing price Saturday, but was jammed down 3-4 in a short time. The bulls redoubled their efforts and soon had the market on an excited boom, the culmination which was a rise of two cents above the lowest price previously made. But on opening of ridiculously small worlds visible decrease, prices went down with a rush to 80 7-8, a quarter below the high market session.

Buying was heavy, John Cudhay alone must have taken 1,000,000 bushels at top. Cudhay was said to have sold as much as he bought previously and his aggressive trading contributed as much to the break of 24 cents which occurred only fifteen minutes in its course.

**Deficiency Bill Passed.**

**WASHINGTON, June 8.**—The deficiency bill passed the senate as it came from the house. When the bill reached the senate it was amended by the passage of the general deficiency bill by the senate at 1:30 p. m., the members cheered. Bingley said this assured an adjournment tomorrow.

Twenty-five and 35 cents, is all that is charged for choice reserved seats at "Pinafore."

## JOURNAL "X" RAYS.

Directed Upon Persons Prominent Before the Public.  
T. T. Geer was lost in the shuffle.

A "new deal" does not always mean new dealers.  
Mr. Tongue received 204 votes less than Judge Bean in his own county.

By the way, has anybody seen the Hon. Jefferson Myers since election?

Of course, Simon will be president of the senate. That will finish the job.  
What would have been left of the Republican party if the people had been united?

Will be on exhibition at the next state fair—the Statesman's free silver candidate for congress.

The Salem bankers can manage the Statesman and Jeff Myers. But they don't own the rest of the people.

Ed. Judd managed to give Vanderburg a majority in Lincoln precinct. Did he join the Populists himself?

Bob Hendricks is trying to figure out whose canvass he managed the better, Jeff Meyers or Tom Tongue's.

Since the Statesman has been managing Jeff Meyer's campaign, of course it is the "only Republican organ."

It is time Jeff Myers was getting up another letter to the people in the back editorial room of the Salem Statesman.

Mr. Quinn will not go to congress at present. He should reserve the right to not refuse his job as driver of that laundry wagon.

Vanderburg is a butcher and Quinn a laundryman. They ought to be able to do some business—if they get to Washington.—Ex.

It was hardly necessary for any of the Albany convention syndicate to bind themselves in advance not to be candidates for a second term.

Linn county people say W. H. Bilyou and J. K. Weatherford did stump that county for Vanderburg, Jeff Myers's organ at Salem to the contrary notwithstanding.

THE JOURNAL had expected to announce before this the arrival of Dr. Cusick's carload of silver. Hurry up, doctor; silver is going up; silver men are multiplying fast.

It looked at first as though Vanderburg and Quinn were elected to congress, and Mitchell had a safe majority in the legislature. But later returns change this somewhat.

A gentleman in Polk county who sleeps in Jo Simon's back office when he goes to Portland was not elected to the legislature. He will probably be on hand for a clerkship, however.

The Albany Democrat is for Albany, Linn County, State of Oregon and United States of America right along. It proposes to stand by all of them and speak a good word for each on every occasion possible. Good!

An exchange says: "Tongue had the laugh on Hermann after the convention, and now it is Hermann's turn to smile. There is truth in the old saying that 'he who laughs last laughs longest.'"

Mr. Vanderburg better rely on the next congress to seat him, if the returns won't do it. That congress won't be Republican, judging from how the present Republican house tails up Cleveland's finance policy and votes appropriations at random.

Banker Albert's proposition should be accepted. Let the sound money men put up two Republicans and two Democrats if they can find them who will stand on that platform. The rest of the people will take care of them in a bunch.

Old Willamette Second—Corvallis, Third.

### THREE RECORDS BROKEN

Much Dissatisfaction With the Referee's Ruling.

The second intercollegiate field day meet is now a thing of the past and has been a valuable and practical lesson in athletics to all participating. From Saturday's events it is evident that too much training is equally as not beneficial to the athlete as too little training. Also that each contestant must take the best possible care of himself.

As a result of Saturday's events three northwest records were broken in the following events: 440 yards run, 220 yard run and 220 yard hurdle. The 440 yards run was won by Coleman (U. O.) in 53 seconds flat reducing the northwest record 3-5 of a second. Colvig (O. A. C.) now holds the northwest record for the 220 run having reduced the time from 24:1-5 seconds to 23:2-5. Kuykendall (U. O.) will hold the northwest record for the 220 hurdle until someone beats 26:2-5 seconds such time having been made by the state university man. The former record was 27:3-5 held by E. E. Morgan of the M. A. A. C., of Portland.

It is estimated that fully 2,000 people witnessed the afternoon's events. The athletic association will probably realize a handsome sum as a result of the field meet.

The militia drill was not conceded until about 3 o'clock which delayed the field day sports considerable. The judge's rendered the following decision which was announced later in the afternoon: Out of a possible 40 points, Co. L., O. N. G. of Salem made 15; Co. F., O. A. C. cadets 31.

The events in the order which they took place with the names of the successful contestants and times are as follows:

**100 yards dash.**—Overholt (U. O.) first; Don Ray (O. A. C.) second; Higgins (U. O.) third. Time 10:3-5 seconds.

**220 yard dash.**—Colvig (U. O.) first; Kuykendall (U. O.) second; Templeton (U. O.) third. Time 28 seconds.

**440 yard dash.**—Coleman (U. O.) first; Johnson (U. O.) second; Cash (P. C.) third. Time 53 seconds.

**880 yard dash.**—Blashop (U. O.) first; Burnett (O. A. C.) second; Merryman (U. O.) third. Time 2:12-1-2.

**Shot put.**—Shattuck (U. O.) first; Overholt (U. O.) second; Templeton (U. O.) third. Greatest distance 35 feet 11 3-4 inches.

**120 yard hurdle.**—Kuykendall (U. O.) first; Guiss (W. U.) second; Blittner (W. U.) third. Time 17-4-5.

**440 yard run.**—R. Coleman (U. O.) first; Johnson (U. O.) second; Cash (P. C.) third. Time 53 seconds.

**1 mile walk.**—De Lashmott (U. O.) first; Van Winkle (W. U.) second; Rusk (O. A. C.) third. Time 8:31 2-5.

**220 yard dash.**—Colvig (U. O.) first; Higgins (U. O.) second; Rosenberg (U. O.) third. Time 28 2-5 seconds.

**Hammer throw.**—Bodine (O. A. C.) first; Templeton (U. O.) second; Babcock (W. U.) third. Greatest distance 103 feet 3 inches.

**Bicycle race.**—Moore (W. U.) first; Riggs (W. U.) second; Ogle (W. U.) third. Time 6:37 3-5.

**Pole vault.**—Lester (U. O.) and Scott (W. U.) tied at 9 feet for first place and by agreement divided points. Baker (P. C.) took third place.

**High jump.**—Davis (U. O.) first; Overholt (U. O.) second; Newsome
